Lighthouse Learning Academy Family Newsletter
September 2019

Hello! We would like to welcome some new teachers to our Lighthouse family. Mrs. Krista is our new lead teacher in Giggle Gulf. Ms. McKayla is a part time floater. Ms. Beth is the new assistant in Giggle Gulf and Ms. Charity is the new assistant in Fantasy Falls. The LLA family is excited to have all of these wonderful new teachers!

IMPORTANT DATES

- School picture sales will be on September 17th from 3-6pm in the Enrichment Room.
- Parents start looking for information for next month's Fall Fun Fest. We will be posting more information in your child's classroom.

Reminders

- Food and drink need to be finished before your child enters their classroom.
- All nap items brought from home must fit in 1 one gallon sized sealed Ziploc bag.

We are starting a weekly reader program on Wednesdays! We will be using the Sign up Genius app for this program. The program is a way for families to volunteer in the classroom by reading to the children.

We have also started a lending library for the children to sign out books to take home. The lending library is located at the front counter.

We are asking for your best crockpot recipes! Please turn in by 9-20-19.

"You are the light of the world" Matthew 5.14
